Makena (formerly Sarah)

Makena was adopted by a wonderful young couple in Massachusetts in April, 2012. Leanne and Danny lived on Maui for three years, and Makena was the name of a beach there they used to frequent. Here are some photos of this beautiful girl enjoying her new life!

Her favorite spot in the yard

.....and her favorite spot in the house!

Playing at the beach on Cape Cod

.....and then settling in for some rest time
And our favorite photo..............
Grandma bought her a Cinco de Mayo flower for her collar!
